# Hamid Baydamirov

Baku, Azerbaijan | +(994) 77 336 15 35 | b.hamidd999@gmail.com

LinkedIn| GitHub

## PROFILE

Skilled in developing efficient, good-performance systems using C# and .NET Core, with hands-on experience in SQL Server and PostgreSQL database management. Proficient in designing and implementing RESTful APIs, with a focus on continuous learning and practical experience through courses and projects. Eager to apply modern technologies to create scalable and reliable backend solutions, with a strong interest in QA manual testing for ensuring software quality.

## TECHNICAL SKILLS

C# | OOP | .NET Framework | .NET Core | ASP.NET Core | MSSQL | PostgreSQL | DBeaver | Entity Framework | Postman | RESTful API Design | Onion Architecture | CQRS | Domain-Driven Design | Docker | SOLID Principles | Clean coding | Asynchronous Programming

## SOFT SKILLS

Problem Solving | Adaptability | Continuous Learning | Stress Management | Communication | Time Management

## WORK EXPERIENCE

**Backend Developer**                                              01.03.2024 – 30.05.2024

*Guest Pet Startup (SABAH.HUB)*

- Leading C# and ASP.NET Core API development with a focus on efficient frontend-backend communication, database optimization, and scalable backend architecture design.

## PROJECTS

### E-Commerce App

- Designed and developed a mini e-commerce platform using **ASP.NET Core 6** and **Angular**, featuring secure payment gateway integration and cart management.
- Enhanced the shopping experience with a seamless product browsing interface and efficient transaction processing.

### Vacancy Management App

- Designed and implemented a recruitment software application using **ASP.NET Core 6** for the backend and **React** for the frontend.
- Streamlined recruitment processes by enabling easy management of job listings, application processing, test creation, and automatic result scoring.
- Leveraged **MS SQL Server** to ensure speed, scalability, and efficient handling of recruitment tasks.

## COURSES / CERTIFICATES

*Advanced Backend Programming* 01.05.2024 - 01.09.2024
IT Brains Academy (100% scholarship from Technest)

*Backend Programming* 01.07.2023 - 23.12.2023
Brainwave Academy

*Fundamentals of Professional Success* 03.07.2023 - 15.07.2023
PROGRO Platform

## EDUCATION

*Bachelor of Computer Engineering* 15.09.2022 - Present
Khazar University, Azerbaijan

## LANGUAGES

Azerbaijani - *native*
English – *limited working proficiency*
